COMMITTEE TO INVESTIGATE
ASSASSINATIONS
927 15TH STREET, N. W.
WASHINGTON, D. C. 20005

June 25, 1969

Mr. Harold Weisberg
Route 7
Frederick, Md.

Dear Harold:

Fear not. I have been jousting with Fred on the train bit for some time now. I do not waste too much time on it, but I do know what his beliefs are and can't go along with them.

Thank you for the kind words about Gloria and me. We are settling into a groove already as old married folk and are very happy.

Let me suggest that your computer friend contact Herbert Halbrecht Associates in Washington, D.C. They are the biggest and best placers of data processing people in the U.S.

Where did Fred get the Zapruder film?

Have you heard about "The Two Kennedys," a movie now playing in Italy? Could be very hot.

Don't worry about the NBC book. If you collect from Jim, send me a check.

Regards, and best to your wife,

Dick

P.S. Gloria sends her best also.
